

ATTENTION CURLERS!

Please review the following updates
for the 2018-19 season

5-Rock Rule in effect for all club leagues (listed below).

This replaces the 4-rock rule. Meaning – you cannot remove your opponent's guards from play until the 6th rock of the end! (Team without hammer – second's 2nd stone!). See Curl BC yearbook for detailed description.

A Liability Waiver must be completed by all curlers returning and new!

League Representatives

Your Club needs YOU! The Board of Directors is looking for 1 volunteer per draw time, to be a League Rep. League Reps will be responsible for sharing any communication from the

Board to curlers, organizing any league social events (ie: Christmas appy night), ensuring scores are filled out, waiver forms are signed. You are *not* required to attend any meetings. Most communication will be via email from the Board. Your Club appreciates any time you can give to improving member engagement and participation!

League Fees are Due Monday October 15th!

For most leagues this only gives you the 1st week of curling to pay your dues. Susan will be available to take payment Mondays-Fridays throughout September/October in person or over the phone. Come early to your first game, make your plans accordingly!

Please Note: Late Fees will apply to any over due league fees.
